Learn how to do the Mineral DeFrizz Treatment and get certified!

Julian is a master artist specializing in cutting curly hair. At this hands-on class he will share his unique technique. Julian is a graduate from Paul Mitchell The school and has a passion for creating art with hair being the canvas. His humility and extraordinary artistic talent make him a superstar wherever he goes.

In this class you will learn the new technology of the Mineral DeFrizz Treatment that uses Hyaluronic Acid, 26 Dead Sea Minerals, Diamond Powder and Lily Flower.

This treatment secures the beautiful natural texture of your hair but gets rid of the frizz. Key benefits include: no fumes, no processing time, takes 45 minutes and lasts from 3-5 months.
